You will need to say exactly how your name is to be shown: e.g. Michael Brown, Mike Brown, Mick Brown etc.

### 2. Umpire Personal Record Books

Umpires are able to record in the Record Book the events and dates thereof that they have officiated at. The Referee at each event should be asked to sign the book. This is a useful personal record of your umpiring career and can be helpful in demonstrating your level of experience when seeking to gain qualification to the next umpiring level.

These are available at a cost of £2.00 including VAT, postage and packing directly from the Secretary of the Technical Officials' Committee, Colin Clemett, and can be contacted via e mail at [colin.clemett@gmail.com](mailto:colin.clemett@gmail.com)
